

Excursion n°1 : Swim with dolphins and Whales watching

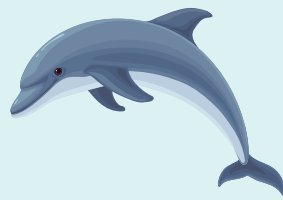

Departure

At 6 am for about 4 hours.

Season

Dolphins and Sperm whales are visible all year round.
We sometimes spot pilot whales and Blainville's beaked whales.
In winter (from June to October), we also observe humpback whales.

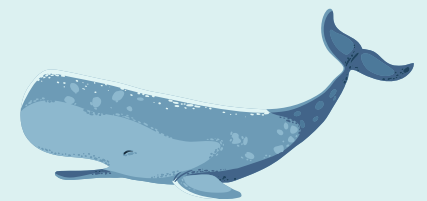

Itinerary

- Whale search using our hydrophone.
- Cetacean observation (Approx. 1 Hour).
- Dolphin search along the coast.
- Swimming or Observation.

Important Informations

Swimming with whales is strictly prohibited in Mauritius
We have a 90% chance of finding them!

Included

Soft drinks, tea, coffee, and snacks.
Snorkeling equipment (fins, masks, and snorkels).
